OREGON CANCER REGISTRARS ASSOCIATION WINTER NEWSLETTER FEBRUARY 28, 2017

Note from our President, Carol Funk:

Hi Everyone, It is hard to believe that I am President already! I started out in OCRA on the nominating Committee, then served for two consecutive years as Secretary. I am excited to see what new and exciting things 2017 has in store for OCRA.

I am so proud to have the wonderful Executive Officers to serve with this year. Laura Wallace, Jennifer Johnson, Vicki Shindler and Catherine Gunn will serve with me and together we will work to strengthen our organization.

One of the things we will be looking into this year is the possibility of Regional Conferences that have been suggested by a couple of different facilities.

We are still working on the Website and getting the kinks worked out. Vicki Shindler has been a big help with this project. We plan to update the guidelines as well.

Asante has stepped up to host the Fall Workshop this year. It will be held in Medford, September 27th through the 29th. Amanda is checking on some new ideas, and I am excited to see what they have in

store this year. In an effort to keep OCRA professional and supportive, I would ask that any questions or concerns be brought to the Executive Committee instead of other members so we can have an opportunity to address them first. I look forward to serving as your President this year.

Carol Funk

Greetings fellow Registrars.

This is the first newsletter in a while so as this year's editor I would like to invite you to submit ideas, pictures, articles or accomplishments. In addition to the newsletter, I would like to invite you to visit our Facebook page and the new Website.

GREETINGS FROM OSCAR!

We have some exciting updates to share with you! Kristen Aird is the new manager for the OSCaR program and if you have any questions or concerns you can reach her by email at:

<u>KIRSTEN.G.AIRD@dhsoha.state.or.us</u> or by phone at: 971-673-1053. Kirsten is looking forward to working with OCRA and all of our Cancer Reporters.

Also, our Quality Assurance (QA) team is growing. We welcomed our newest member, Corinne Visser to the team this year. Deborah Towell, Linda Shan and Leela Coleman are still here to help you as well so please feel free to contact any of us. We do have plans to add one more person to the QA team later this Spring. The QA team will be updating the facility contact list and will be sending the list out sometime in March.

OSCaR just submitted our grant application to the National Program of Cancer Registries (NPCR) for our five year grant cycle. One of the significant areas of cancer reporting that OSCaR is seeking to advance over the next five years is to increase the number of electronic reporting from non-hospital reporters. Additionally, we are looking for ways to continue to make use of the OSCaR cancer data. Finally, the team here at OSCaR is looking forward to working with OCRA's Fall Workshop Education planning committee to develop our agenda

for this year's Fall Workshop. We hope to see you there!

OCRA WOULD LIKE TO
CONGRATULATE JACQUE
HARTZLER, LPN, CTR on
her retirement! January 13th
was Jacque's last day and she
went out with a nice little
retirement dinner. Minus her 9
years at OHSU, the rest of her 49
years were with Salem Hospital.
She certainly earned her
retirement but she will be
mixed.

CONGRATULATIONS TO MARTHA
CURL!! Martha won the nomination
for "Nominating Committee West" for
National Cancer Registrars
Association. We are proud of you
Martha.
